

豪華設備充実！

A two-story brick house with a white roof and trim. The house has a covered entrance with a white archway and a small balcony on the second floor. The exterior is made of red brick with white window frames and door frames. A white downspout runs down the side of the house. A black metal fence is in the foreground, and a small garden area is visible to the right. A power line is visible in the upper right corner.
